Michael / Chuck:

Good morning.

I believe at least one of you will be up in Michigan tomorrow for various meetings re: the cleanup.

We currently have our call on the calendar for tomorrow at 10:30A EST. The only real agenda items to discuss would be updates on both the PPA and dam. The Trust did not have any action items other than working on the required RD documentation - and that effort is ongoing.

I'm curious if you'd like to push the meeting to next week or skip it entirely if you'll be engaging with the key players anyway?

Its your call... Please advise.

Thank you,
